

## **Non-Discrimination Statement**

The Vaccinate Lancaster Coalition, led by managing partner Penn Medicine Lancaster General Health (LG Health), believes that the fair and equitable treatment of employees, patients and other people is critical to fulfilling its mission and goals.

It is the policy of the Vaccinate Lancaster Coalition and LG Health to treat patients without regard to their race, color, national origin, sex, sexual preference, physical and/or mental disability, religious affiliation, creed, age, ability to pay or any other classification prohibited by law.

If you believe the Vaccinate Lancaster Coalition has discriminated against you, you may contact the Lancaster County Community Vaccination Center Call Center at 717-588-1020 and ask to be connected to Beth Katz, LG Health Compliance Officer, or to FEMA directly.

Members of the public may bring civil rights complaints to the Office of Equal Rights' attention in connection with FEMA programs and activities or FEMA-funded or FEMA-assisted programs and activities as follows:
